**Critical Dates**

- **June 5, 2009** - Pick up Lease Expense Report
- **July 6, 2009** - Return Lease Expense Report

The City leases a significant amount of real property from private landlords. Accordingly, the Comptroller's Office requires certain data from your agency pertaining to lease obligations for inclusion in the City's Fiscal Year 2009 financial statements. In accordance with Generally Accepted Accounting Principles (GAAP), the future minimum obligations under these leases must be disclosed.

We have prepared a listing of your agency's lease expense based on prior submissions. The listing, which will be available for pick up on June 5, 2009, summarizes any agreement whereby your agency leases property from private landlords for one year or longer.

Please review this report to see if the information stated is correct and complete, paying particular attention to the following:

- Missing leases, terminations, expirations, amendments, minimum annual base rents and balances.

This review should take into account all rental payments made by your agency. Therefore, if there are any agreements and/or commitments not accounted for on our report, **it will be your responsibility to add this information.** The reviewer's signature, title and phone number should be included on each page.

The reviewed report should be returned to this office no later than July 6, 2009.

**NOTE:**

Rental expenses will be allocated to the particular fiscal year, which commences on July 1st and ends June 30th.
