## **COMPTROLLER STRINGER STATEMENT ON LGBTQ ATTACKS IN BROOKLYN**

"For the third time in as many weeks, a member of the LGBTQ community in Brooklyn has been viciously attacked in public. There is no place in New York for such bigoted and hateful acts, and I urge anyone with knowledge of this assault to come forward and alert the police. We pride ourselves on tolerance, diversity and inclusion in our City, and no one should live in fear as they walk the streets."
