**STATEMENT OF NEW YORK CITY
COMPTROLLER SCOTT M. STRINGER ON THE
MURDER OF NEW YORK CITY POLICE
DEPARTMENT OFFICER RANDOLPH HOLDER**

The shooting death of NYPD Officer Randolph Holder is a tragedy that burns deep, filling our City with grief. There are no words that can bring him back to his family and friends, no words that can begin to honor the courageous sacrifice he made as a Police Officer. We stand together with the men and women in blue who put their lives on the line every day to keep us safe – and mourn the loss of an officer who exemplified the very best of New York City. Our hearts go out to his loved ones.
