MAKING THE GRADE

Recommendations

- 1. Institutionalization of the Chief Diversity Officer through the Charter Revision Commission.**
- 2. The New York City Charter should be amended to include timeframes for each agency with a role in the contract review process.**
- 3. Create competitive opportunities for M/WBEs on citywide requirements contracts.**
- 4. Require prime vendors to disclose details about their commitment to diversity when they compete to do business with the City of New York.**
