The City leases to others a significant amount of City owned real property, primarily for markets, ports and terminals.

We require certain data from your office pertaining to lease income for inclusion in the City's Fiscal Year 2013 financial statements. Based upon prior submissions, we have prepared a listing of your Department's lease income agreements. This listing, which was e-mailed to your Department on June 3, 2013, summarizes any agreement whereby your Department derives income by leasing City owned real property **for one year or longer**.

Please review this report to see if the information stated is correct and complete, paying particular attention to the following:

- **MINIMUM ANNUAL RENT:** The amounts of future MINIMUM rent payments should be verified for all leases, licenses and permits. Do not include future maintenance charges, or any escalation based on percentages of yet to be determined amounts such as real property taxes. Include only the minimum base rent payments stated in the agreements. Please indicate clearly any period where “bargain” or no rent is being charged.
- **MISSING LEASES:** If you have any lease that does not appear on the report, you must add it. New lease(s), license(s) and permit(s) must be submitted with agreement, date of occupancy, block and lot number and any additional documents that would clearly state and support the lease, license and permit agreement.
- **TERMINATIONS:** All leases that have been terminated prior to the expiration date should be identified and the date that the lessee vacated the premises indicated.
- **EXPIRATIONS:** For all expired leases on the report, indicate the date the lessee vacated the premises.
- **CHANGE IN LESSEE:** Please report changes in lessee name whether because of a sale, an assignment, or a change in corporate identity.
- **AMENDMENTS:** Please enclose copies of any lease amendments executed in fiscal year 2013.

This review should take into account all real property rental income received by your Department. Therefore, if there are any real property agreements for one year or longer not listed on the report, **it will be your responsibility to add this information**.

Further, it is **mandatory** that all changes must be accompanied by adequate documentation, including but not limited to:

- The lease agreement for any new agreement or an amendment made to an existing agreement
- Signed renewal letters where an option to renew is exercised

The reviewer's signature, title and phone number must be included on the lower right corner of each page.

**The reviewed report should be returned to the Comptroller's Office no later than July 8, 2013 via e-mail to [kbornst@comptroller.nyc.gov](mailto:kbornst@comptroller.nyc.gov).**

In addition, an email was sent on May 10, 2013 requesting Departments to confirm the lease type income status. If you have not received the e-mail, the Lease Income Certification form can be downloaded electronically from the Comptroller's website. The form and any supporting documentation should be e-mailed **no later than June 14, 2013 to [kbornst@comptroller.nyc.gov](mailto:kbornst@comptroller.nyc.gov)**.
