<b>Period:</b>	<b>November 9, 2017 - Until Filled</b>

### JOB DESCRIPTION

The Bureau of Asset Management (BAM) is responsible for oversight of the investment portfolios of the New York City Retirement Systems (Systems). This over \$180 billion total portfolio is managed primarily by external investment managers and is largely invested in publicly-traded securities with additional allocations to private equity, real assets, hedge funds, and opportunistic fixed income investments.

The Compliance Analyst will help to document protocols and monitor regulatory compliance, both within the Comptroller's Bureau of Asset Management and beyond, in the conduct of external managers, parent companies, affiliates, joint venture partners, as well as the manager's delegates, on a range of issues relevant to the financial services industry from AML to FCPA to risk tolerances.

Reporting directly to the Chief Compliance Officer and working with the compliance staff, the Compliance Analyst's responsibilities include, but are not limited to:

- Working with compliance team to resolve all portfolio trades and investments that do not comply with investment policy statements and investment guidelines;
- Assisting the Compliance team in developing and enforcing policies and procedures for within BAM's compliance department;
- Working with the Compliance team and the Office of the General Counsel in reviewing public markets investment managers and consultants' compliance with regulatory and Board policy requirements, including but not limited to: pay-to-play, OFAC, FCPA, AML and general Code of Ethics requirements; and,
- Conducting special projects as required by the Chief Compliance Officer.

### MINIMUM QUALIFICATION REQUIREMENTS

1. BA/BS degree from an accredited college or university with major studies in business or finance or a closely related field and two (2) or more years of progressively responsible experience in a compliance role with a large and/or complex registered investment advisor or broker/dealer, or in a closely related capacity; or
2. Satisfactory education and/or experience equivalent to "1" above.

---

### PREFERRED SKILLS IN ADDITION TO MINIMUM QUALIFICATIONS

- Clearly demonstrated substantial regulatory compliance experience in the public and private investments, asset management or closely related field is strongly preferred;
  - Strong time management skills, with the ability to balance multiple assignments and department priorities;
  - Ability to work both independently and in a team environment; self-motivated with the ability to prioritize, meet deadlines and manage changing priorities;
  - Strong knowledge of Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, Access) expected.
